Dear CertainTeed Credentialed Company:

May 8, 2008

We are pleased to announce the following warranty enhancements effective May 15, 2008:

1.) Increased wind coverage in miles per hour:

An upgrade from the product's standard wind warranty is available as specified below when special application methods are used:

Product	Standard		Upgrade*	
	MPH	Years	MPH	Years
Landmark	70	5	110	5
Woodscape	70	5	110	5
Landmark Plus	80	5	130	5
Landmark Special (IR)	90	5	130	5
Landmark Premium	90	10	130	10
Woodscape Premium	90	10	130	10
Landmark TL (& IR)	110	10	130	10

* CertainTeed Swiftstart starter shingles must be installed along the roof eaves and rakes plus Shadow Ridge or Mountain Ridge hip and ridge accessory products must be installed as cap shingles. Note: For the CertainTeed N.E. Region, Universal 7-inch starter shingles can be installed in place of Swiftstart as indicated for all products except Landmark Special and Landmark TL.

2.) Enhanced SureStart PLUS Warranties:

- The non-prorated period of 3-Star, 4-Star and 5-Star Coverage increased to 10 years, 15 years and 20 years respectively for 25 to 50 year warranted products.
- For Lifetime warranted products applied to structures other than single family homes, the non-prorated period increased to 20 years.
- The workmanship period for 5-Star Coverage increased to 20 years for all types of structures.

Enhanced SureStart PLUS Warranties (continued):
